

# Hogwarts Legacy Gameplay

For Hogwarts Legacy PlayStation4 Users

## Changing Gear Items & Gear Appearance

Your Gear helps increase your wizard's offence and defence outputs. Each Gear item has a different output. Items can be unlocked through: gameplay, rewards, and online drops.

Typically, the item with the highest outputs is selected. The outputs of each item are displayed in the item catalogue (see Table 2).

### To change your wizard's equipped gear during gameplay

1. Click **Options** on your PlayStation4 (PS4) DualShock controller (see Table 1).  
Your Field Guide opens.
2. Navigate to the Gear category icon using the left analog stick on your controller.
3. Press  on your controller to select the Gear icon.  
The Gear main page opens displaying all Gear categories and your wizard.
4. Navigate to a Gear category you want equipped.
5. Press  while hovering over the category.  
The category's item catalogue opens on the left of the screen.
6. Navigate to the item of your choice.  
Hovering over the item display the item's outputs on the right of the screen.
7. Press  to equip with the selected item.  
The equipped item appears on your wizard.
8. Press  .  
You are back on the Gear main page.

You can alter the appearance of your equipped item to any of the appearances you have unlocked. Changing the appearance does not alter the item's outputs. If the item is no longer in your item catalogue, you can still find it in your appearance catalogue (see Table 2). Item appearances can be used even if the item is no longer available in the item catalogue to be equipped.
